

## **GP SURVEYOR RECRUITMENT DRIVE JULY 2011**

Before delivering training on 4<sup>th</sup> Edition Standards and the new tools for Surveyors, GPA is conducting a recruitment drive for new GP Surveyors.

GP Surveyors often say that the respite from patients alone is a great reason to be a Surveyor. Other benefits include; the opportunity to learn new ideas and travel (for those wanting to do so).

If you know of or, you are a GP who is interested – please contact GPA on 02 69 444 042 or email us via [info@gpa.net.au](mailto:info@gpa.net.au) today!

Alternatively go to the Surveyors page on the website and download a GP Application Form and complete this and return to GPA via email or post.
